Corrections of 5-year plan completed and delivered to the Clerk for approval from the City Councils next meeting

Rene spoke to Marcy Hamilton from S.W. MI Planning because the S.W. MI Planning are the ones that did the last 5-year plan, and spoke with Justin Weber. The City is also working with her to complete the City's Master Plan, which will include much of the same information that we will need to get ours completed. We do not have a cost to this yet, but would like us to entertain the idea of having this completed by S.W. MI Planning, so everything will be correct and completed in a timely manner.
