### **What is Code Enforcement?**

Rules governing the use of private property are intended to protect the public health, safety, and welfare of all citizens. The Building & Planning Department is responsible for enforcing the County Codes, and other Ordinances related to building codes, zoning, subdivisions, and critical areas.

### **Who may file a complaint and when may it be filed?**

Any citizen may file a complaint whenever they observe conditions, uses of property or structures that are improper or potentially hazardous.

### **How is a complaint filed?**

Except where an immediate life safety hazard exists, compliance actions begin with either a signed complaint form or written documentation from a public agency. Once the complaint form is complete, you may submit the form by email to [william.murphy@bangormi.org](mailto:william.murphy@bangormi.org) by mail, or in person to the City of Bangor Code Enforcement Department located at 257 West Monroe Street Bangor, MI 49013.

### **What happens once I've submitted my written complaint?**

The investigation process will typically begin once a code enforcement complaint has been received and processed. In order for the Code Enforcement/Building & Planning Department to begin compliance actions, the violation must be documented from the road or from a neighboring property who has granted permission to view the site. Actual resolution of the issue can take weeks, months, and possibly longer, depending on the complexity of the issue and legal ramifications.
