HONOR A HERO CAMPAIGN

HELP BUILD A LASTING TRIBUTE

The City of Bangor is raising funds to install a beautiful white vinyl memorial fence at Veterans Memorial Park.

This project will enhance the park, create a dignified backdrop for the Veterans Memorial, and honor the brave men and women who have served our nation.

Our goal is to complete this project entirely through community donations, without the use of taxpayer dollars.

★ CAMPAIGN GOAL ★

\$5,000

The City has obtained contractor estimates and established a fundraising goal of \$5,000 to complete this project.

Funds will be used for:

- ★ Installation of the memorial fence
- ★ Donor recognition materials
- ★ Project-related expenses

Any funds remaining after completion of the fence project will be used exclusively for future improvements to Veterans Memorial Park, including landscaping, benches, lighting, memorial enhancements, and other veteran-related improvements approved by the City of Bangor.
