

CITY OF BANGOR
STATEMENT REGARDING THE
MICHIGAN INCOMPATIBLE OFFICES ACT

Section 2 of Public Act 566 of 1978 says that, **except as provided in Section 3**, a public employee or officer shall not hold 2 or more incompatible offices at the same time. Section 3 of the same act says that Section 2 **does not** prohibit the governing body of a city having a population of less than 40,000 from authorizing a public employee from performing additional duties for a city. (Section 3, subparagraph 4(c)) Michigan Attorneys General have interpreted the statute to mean that the incompatibility provision of Section 2 does not apply to communities with small populations. Justin Weber is the Bangor City Manager and the City Police Chief. Because the population of the City is less than 40,000, this does not violate PA 566.
